Grown in the foothills of the snow-capped Dhauladhar ranges, our tea comes from the historic **Kangra Valley**, where tea has been cultivated since 1949.

Hand-plucked from our gardens and gently processed, each batch reflects the purity of its mountain **origin and arrives fresh from garden to cup.**

BREWING INSTRUCTIONS

Use 2g of tea for 200 ml of water at 80–90°C.
Steep for 2–3 minutes and then **Strain & enjoy.**
